MEMORANDUM FOR: Special Assistant to the Director
for Planning and Coordination

SUBJECT: Security With Regard to the
[REDACTED] Project

25X1A

1. I have talked with [REDACTED] as you requested, reporting our conversation with [REDACTED] Friday. He was more hopeful of the possibility of working something out in view of a somewhat more flexible approach on the part of [REDACTED] which he detected from my remarks (along the lines of the memorandum of conversation). He said it would be helpful if he had a memorandum of the subject as well as one from you to [REDACTED] asking that they go right ahead on the remaining cases.
